**3560-ER-106 – Application of the City of Menasha, Winnebago County, Wisconsin, as an Electric Public Utility, for Authority to Adjust Electric Rates**

The Commission discussed the application filed on behalf of the Menasha Electric and Water Utilities (Menasha), for authority to adjust electric rates, and made preliminary determinations including the following:

1. The Commission accepted all of the uncontested alternatives identified in the Final Decision Matrix.
2. The Commission accepted Menasha's estimate of capital addition to include in the revenue requirement of \$2,100,891.

Commissioner Huebsch dissented.

3. A reasonable return on Menasha's net investment is 7.00 percent.
4. The Commission directed Menasha to return the deferred cushion over a six-year time period at approximately \$289,152 per year.
5. The Commission declined to adopt a specific cost of service study model and will rely on all models.
6. The Commission authorized a customer charge of \$10.00 per month for residential customers.
7. The Commission directed Menasha to revise the criteria to provide for the transfer of customers immediately upon the customer no longer meeting the availability criteria of a given tariff.

The Commission directed the Division of Energy Regulation to draft an order consistent with its decision.

The Commission adjourned the meeting at 11:01 a.m.
